

ERRATA

Revision of Figs. 4 and 8 of 'Domestic Culture in 17th-Century Thame' by Antony Buxton, *Oxoniensia*, lxxvii (2002), pp. 103 and 110

The revised figures on the following pages are published to accompany late revisions to the text as published in the above article.

These figures are designed, if so desired, to be carefully cut and removed from this volume and inserted over the originals in the published article.

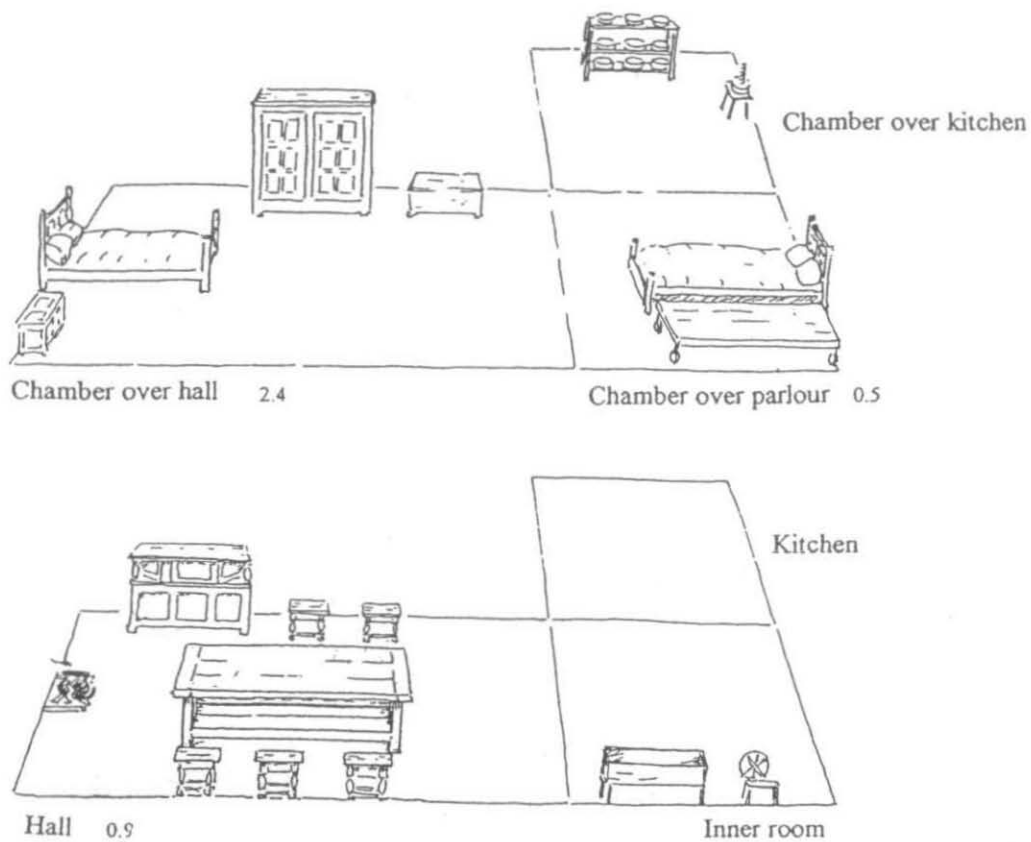

Fig. 4. Dwelling of John Vickers, husbandman, 1613. Total value of furnishings: £7 14s. 0d. Ratio of room furnishings value to average per room for this house is shown after each room name.

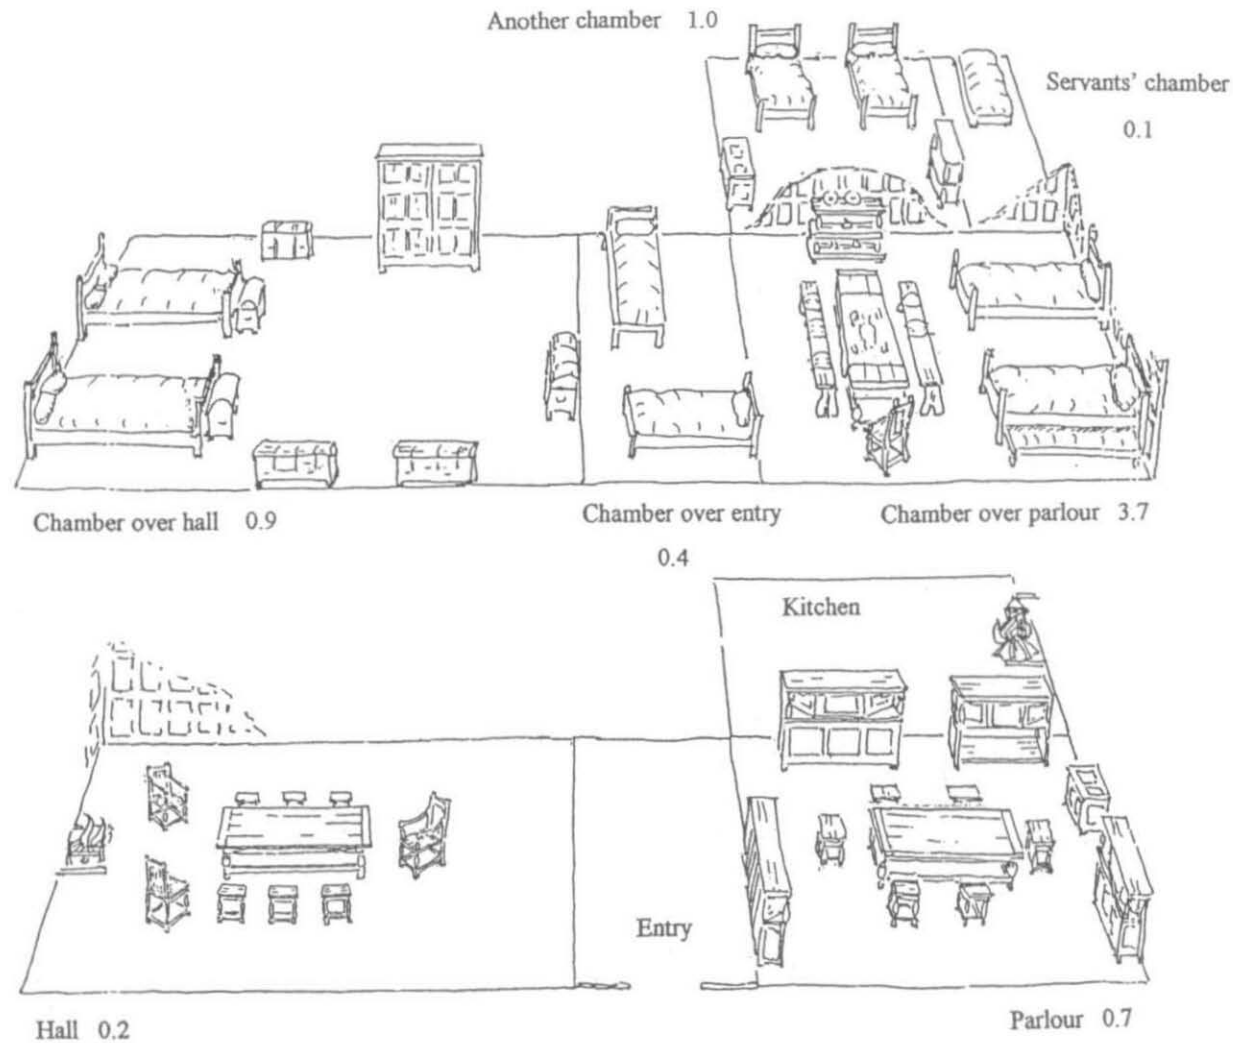

Fig. 8. Dwelling of Richard Striblehill, butcher, 1607. Total value of furnishings: £28 10s. 9d. Ratio of room furnishings value to average per room for this house is shown after each room name.
